

REMARKS

In the Office Action under reply, restriction was required as follows:

Group I claims 1-39, which the Examiner characterized as being directed to a receiver, or a transmitter, or a receiver/transmitter combination; and

Group II claims 40-43, which the Examiner characterized as being directed to meta-data stored on a computer readable recording medium.

Applicant elects, **without traverse**, Group I claims 1-39 for further prosecution in the present application. To simplify the prosecution of this application, non-elected claims 40-43 are cancelled.

Applicant reserves his right to present the non-elected claims in a divisional application for further prosecution.

An early examination on the merits of the elected claims is solicited.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
